

Orion StarBlaster Telescope

Kindly brought to you by
The Friends of the Dublin Public Library
Enjoy!

Lending Policy & Agreement

Telescope Lending Policy

1. The Library's Telescope can be checked out by a Dublin Public Library card holder who is 18 years of age or older AND in good standing (no outstanding fines, fees, or overdue items). The patron must present current proof of address (i.e., a driver's license or current utility bill) and sign a new Lending Policy and Agreement each time the Telescope is borrowed. The Library will make and keep a copy of the patron's proof of address along with the signed Telescope Lending Agreement.
2. The Telescope can be checked out for a maximum of **one week** with no renewal and must be given directly to library staff when returned. DO NOT leave the Telescope outside of the library or leave it unattended at the library's circulation desk. If the Telescope is left unattended outside of the library, the patron will be charged a \$25 fee for unnecessary risk to the Unit.
3. The Telescope cannot be renewed. If there isn't a waiting list for the Telescope upon return, the returning patron may re-check out the Telescope (with a new agreement signed) after staff have conducted the full check-in process. A **\$5.00/day late fine** will incur if not returned by the due date.
4. The Telescope Kit includes 1 Orion StarBlaster Telescope; 1 organizational pouch (which includes 1 laminated manual; 1 flashlight for night vision; and 1 National Audubon Society pocket guide); and 3 cords attached to dust caps and related items. The kit is valued at \$325. If the Telescope and kit are not returned in the same condition, a fee will be determined by the Library based on the cost of repair or replacement. Any missing items will result in charges to the patron.
5. The Telescope may not be loaned to anyone other than the borrower who signs the agreement on the other side of this policy.
6. Children must have adult supervision while using the telescope.
7. Please treat the Telescope with care, keeping it in a clean, dry, dust-free place and safe from liquids, extreme temperatures, and from being dropped. All covers should be kept attached to the Telescope at all times. Do not attempt to clean the Telescope with any chemicals or liquid or store the telescope outdoors. Keep the dust caps on the front of the telescope and on the focuser when not in use. Make sure to turn off the range finder and the flashlight when not using it.
8. The Telescope may be reserved by calling the library at 603-563-8658, emailing the library at lovettr_dpl@myfairpoint.net, or going into the library catalog via our website: www.dublinnhpubliclibrary.org. The Telescope may not be picked up via Curbside Services.
9. The borrower is responsible for reading the instruction manual for proper care and use.
10. **Do not look directly at the sun with the Telescope. Permanent eye damage could result. The Library is not responsible for any damages a patron inflicts upon themselves or the telescope.**
11. **Transport the Telescope by strapping a seat belt around the Telescope in your vehicle.**
12. **Do not get water on the lens or attempt to clean the lens at all. Condensation is natural and will remedy itself. Please do not even wipe the lens clean.**

Telescope Lending Agreement

I, _____, have read the complete Dublin Public Library Telescope Lending Policy and take full responsibility for the Telescope I am checking out.

I agree that the telescope is in working order at the time I am checking it out.
